

SandBlaze Digitals Pvt Ltd is a dynamic and fast-growing private limited company operating in the digital marketing and design space. We specialize in crafting impactful visual communication and digital branding solutions for clients across various industries.

Role: Graphic Designer

Vertical/Department: Graphic Designing

Vacancy: 1 position

Job Location: JNTU, Hyderabad

CTC: 6K– 15K per month (depending on skills and experience level)

Eligibility:

- Graduation or certification in Graphic Design, Visual Communication, or related fields
- Creativity and a good sense of visual aesthetics
- Proficiency in design software like Adobe Photoshop, Illustrator, and Canva
- Ability to meet deadlines and follow design briefs accurately

Job Description: We are looking for a talented and creative Graphic Designer to join our design team. The ideal candidate will be responsible for creating compelling static designs and visual content tailored to brand needs. This role demands a blend of creativity, communication, and basic technical skills.

Responsibilities:

- Create engaging and visually appealing static graphics for digital platforms
- Understand design briefs and deliver outputs that align with brand objectives
- Collaborate with content and marketing teams for timely project execution
- Ensure designs maintain consistency in branding and style
- Keep up with the latest trends in design and visual content creation
