Role: Graphic Designer

Verticals: - Graphic Designing

Vacancy: 1 position

Job Location: Kondapur, Hyderabad

CTC: ₹5,000 – ₹18,000 per month

Eligibility:

- A degree or diploma in Graphic Design or a related field
- Strong portfolio showcasing creativity and understanding of design principles
- Proficiency in Adobe Creative Suite (Photoshop, Illustrator, InDesign)
- Attention to detail in layout, typography, and brand consistency
- Willingness to learn, accept feedback, and grow

Job Description: We are hiring an entry-level Graphic Designer who is eager to learn, grow, and contribute to a variety of creative projects. The role involves working on branding, social media visuals, and digital content with creative leads. This is an opportunity to receive mentorship while developing design skills on real projects.

Responsibilities:

- Design visuals for social media, marketing, and branding campaigns
- Support in developing brand identity and design systems
- Collaborate with creative leads on layouts, illustrations, and assets
- Stay updated with latest design tools and trends
- Ensure quality and consistency across all design work

Nice to Have:

- Knowledge of Canva, Figma, or motion tools
- Interest in branding and digital storytelling

Perks:

- Mentorship from experienced designers
- Creative freedom under guidance
- Exposure to diverse projects and design challenges
