Dear All,

SinceMedia, a fast-growing creative startup based in Madhapur, Hyderabad, is hiring for a **Video Editor** position. This opportunity is ideal for freshers who are passionate about video content, editing tools, and exploring AI-driven editing techniques.

Role: Video Editor
Department: Photography and Videography
Vacancy: 1 Position
Job Location: Madhapur, Hyderabad
CTC: ₹5,000 – ₹8,000 per month
Experience: Fresher

Eligibility:

- Basic knowledge of video editing tools such as Adobe Premiere Pro, Final Cut Pro, DaVinci Resolve, or CapCut

- Interest in working with AI tools (Runway ML, Descript, Pictory, etc.)

- Creativity and storytelling ability

- Strong attention to detail

- Good communication and time management skills

Job Description:
We are looking for a creative and motivated Video Editor to join our growing team. The role involves editing raw footage into compelling visual stories for clients using both traditional and AI-enhanced tools.

Responsibilities:

- Edit and compile raw video content into polished final output

- Add appropriate effects, transitions, subtitles, and music

- Use AI-based tools to streamline and elevate the editing process

- Collaborate with content and marketing teams to ensure brand consistency

- Stay updated with the latest industry trends and editing technologies

If you're ready to grow in a fast-paced creative environment and explore the future of AI in video production, this role is perfect for you.
